

# Office Ergonomic Assessment

## What to expect:

A one-hour evaluation with an occupational therapist

Assessment of the workstation, equipment, work tasks, work habits and any physical symptoms

Explanation of findings and hands-on assistance to make immediate adjustments to all equipment

Solutions that are practical, feasible, and consistent with current research

A detailed report outlining assessment findings, ergonomic risks, and recommendations

Equipment recommendations include detailed specifications with product information

Reference material on office ergonomics and workstation set-up checklists

## Scheduling:

Contact our office by phone or email to set up an appointment

Appointments are available within 7-10 business days of the request

Reports are sent via email within 5 - 7 business days of the assessment

## Fee: \$450

Fee is all-inclusive

Fee applies to an assessment of one worker at one workstation

Discount pricing is available for multiple assessments

Follow-up assessments are available for an additional fee
